# THANK YOU!

## A message from Coach J...

The coaches would like to thank our players and families for an exciting and successful season.

We appreciate all of the hard work our players, supporters, and volunteers have put into setting College Park Soccer on the path to continued success. We had strong and positive results from all teams and amazing support from our fans at each game regardless of where we played; the future is very bright for our program, and we're ready to put in the work to get where we want to go.

Thank you again!

- Coach Jaskowiak

*Thanks for a fantastic season!*
