Todd Underwood
Head Coach - Lady Cavaliers

From Coach Underwood:

My goals for the Lady Cavaliers are to build the foundation for a strong program while being as competitive as we can be our first year. I hope to help the girls develop as soccer players and as student athletes.

Coach Underwood played varsity soccer at Kerrville Tivy High School, Kerrville, Texas and college soccer at Tarelton State University. He has a BS in Biology and an MS in Environmental Science and teaches Biology at TWCP.

From Coach Owens:

Welcome to the first year of Cavalier Soccer. We look forward to an exciting year and success ahead in the future. The goal of this program is to foster the character and development of these young players during their high school years. We have a tough district road ahead and the triumphs and adversity along the way will help us attain our overall goal of someday bringing a state championship to this school. Thank you for your support as we prove that ...

John Owens
