The Woodlands College Park High School Men's and Lady's Cavalier Soccer

Cavalier Head Coach John Owens
and Assistant Coach Todd Underwood

From Coach Owens:

We are extremely excited about our upcoming season and the new heights that will be achieved by our players in 2012. We enter the 7th season of Cavalier Soccer with a program that has been built upon a solid foundation due to the hard work and determination of the players of the past and guided into the future with the youth of today. We appreciate your support and service to the Cavalier Soccer Program and look forward to seeing you in the stands during the games to cheer on College Park.

Thanks again and as always, WE ARE COLLEGE PARK!

Coach Owens is a native of Pittsburgh, PA, and attended Texas A&M University where he received a BA in History, minor in Political Science and a Social Studies teaching certificate. He also has earned a Masters in Education from Lamar University. He teaches AP Macroeconomics at College Park and was awarded Teacher of the Year and Coach of the Year (District 15-5A) in 2007. He spends his free time with his wife Ellen and his son Ty, who he credits for his daily inspiration.

Coach Wright is a native of Stillwater, OK and attended the University of Arkansas receiving a BA in Political Science. He also has an M.Ed from the University of Houston. Coach Wright also coaches football and teaches geography and world history. He is married to Dawn Wright, and his son Tyler is a freshman at CP and his daughter Hannah is in the seventh grade at Knox. In his spare time he is a huge fan of hunting.

From Coach Underwood:

"We are very excited about getting started with the season. We have a young group that is eager to learn and compete. We have been working hard in the offseason and preparing to continue where we left off last season. We are in a tough district and are striving to find a way to be successful this season with a young, but very talented group."

Coach Underwood played varsity soccer at Kerrville Tivy High School, Kerrville Texas and college soccer at Tarleton State University. He has a BS in Biology from Tarleton and a Master's Degree from Texas A&M-Corpus Christi. He teaches Biology at TWCP and is in his 7th year as varsity coach here. His wife Kami played tennis at the University of Houston. Their family includes two labs and a feisty puppy named Pugsley who sometimes accompanies Kami to the Lady Cav matches.

Coach Doerfler graduated from Belton High School, where she earned All-District honors in volleyball and basketball. Her senior year she was named as the 2003 Female Athlete of the Year. She then attended Sam Houston State University and graduated with a major in Composite Science with emphasis on Biology and minors in Secondary Education and Kinesiology. This is her fourth year to teach AP Environmental Science at College Park High School and first year coaching soccer. She also is the Assistant Varsity Coach for Volleyball. She recently got engaged to her fiance Kyle and will become 'Coach Williams' in November 2012!

Lady Cavalier Head Coach Todd Underwood
and Assistant Coach Angela Doerfler
